"When flits this cross from man to man,  
Vich-Alpin's summons to his Clan,  
Woe to the Clansman who shall view

#### The Fiery Cross of Clan Alpin

"When flits this cross from man to man,  
Vich-Alpin's summons to his Clan,  
Woe to the Clansman who shall view  
This symbol of sephulchral yew,  
Forgetful that its branches grew  
On Apin's dwelling place.  
Fast as the fatal symbol flies.  
In arms the huts and hamlets rise;  
From winding glen, from upland brown,  
They poured each hardy tenant down.  
Nor slack'd the messenger his pace;  
He showed the sign, he named the place;  
And pressing forward like the wind,  
Left clamor and surprise behind."

Flourish, the shelter and grace of our line."
