### THE FIERY CROSS OF CLAN ALPIN

"When flits this cross from man to man,  
Vich Alpin's summons to his Clan,  
Woe to the Clansman who shall view  
This symbol of sepuehral yew,  
Forgetful that its branches grew  
On Alpin's dwelling place.  
Fast as the fatal symbol flies,  
In arms the huts and hamlets rise;  
From winding glen, from upland brown,  
They poured each hardy tenant down.  
Nor slacked the messenger his pace;  
He showed the sign, he named the place."

---

"While there's leaves in the forest, and foam on the river,  
..MacGregor, despite them, shall flourish forever;  
Then gather, gather, gather, Grigalach!"
