A new concept in Contemporary Living

Wynnewood Towers

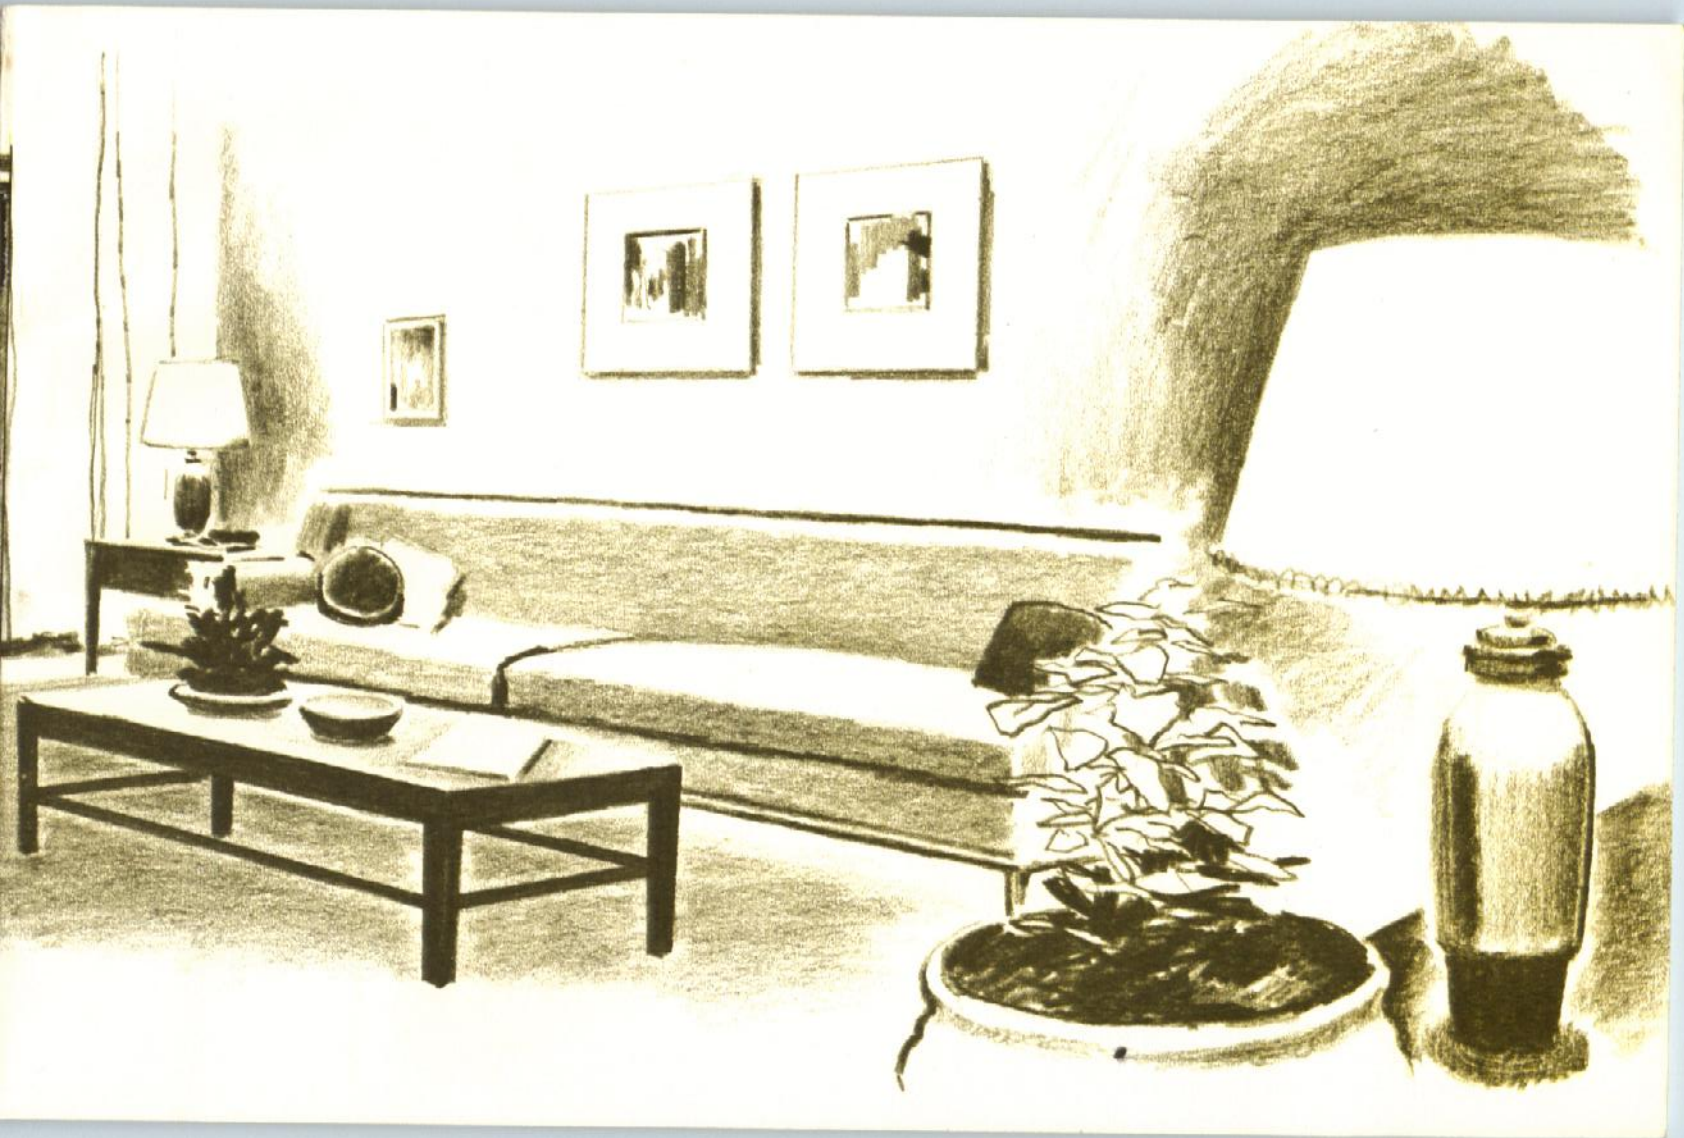

Step into a charming atmosphere
of formal elegance and dignity planned
as a background for gracious living.

THE LIVING ROOM dramatically furnishes the perfect backdrop to formal elegance in the continental mood. The sweeping window treatment is pure drama that may be accented by draperies with full draw panels.

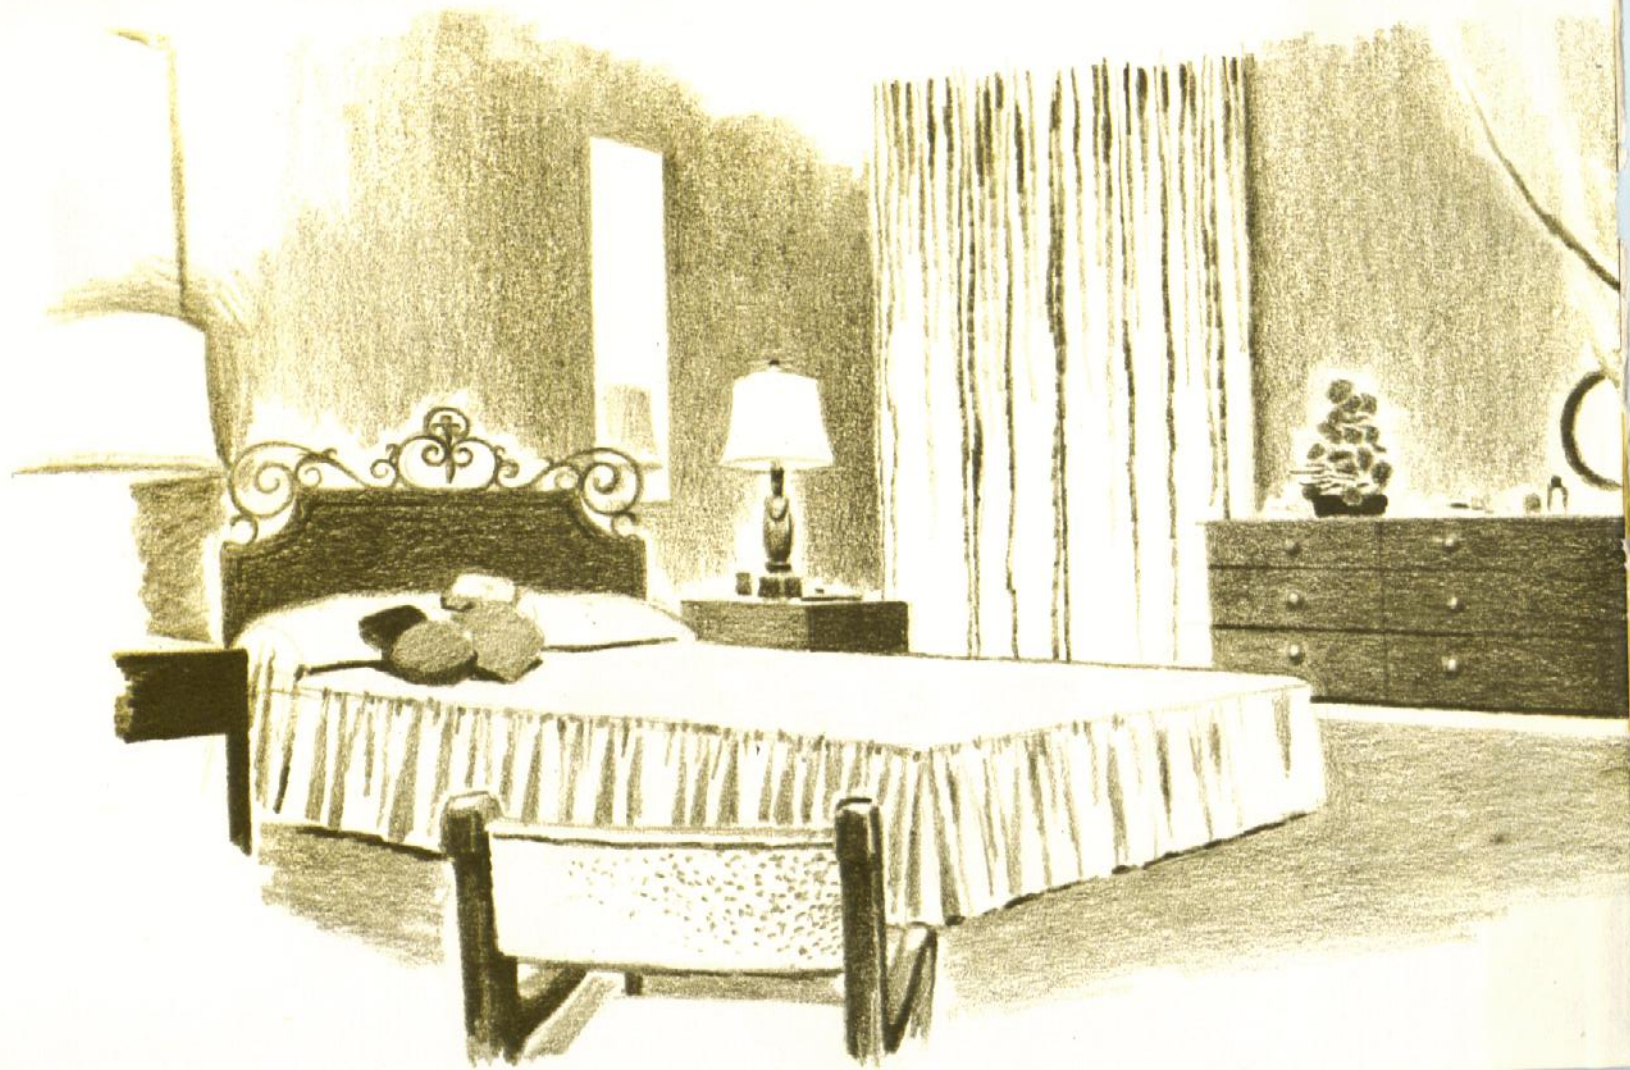

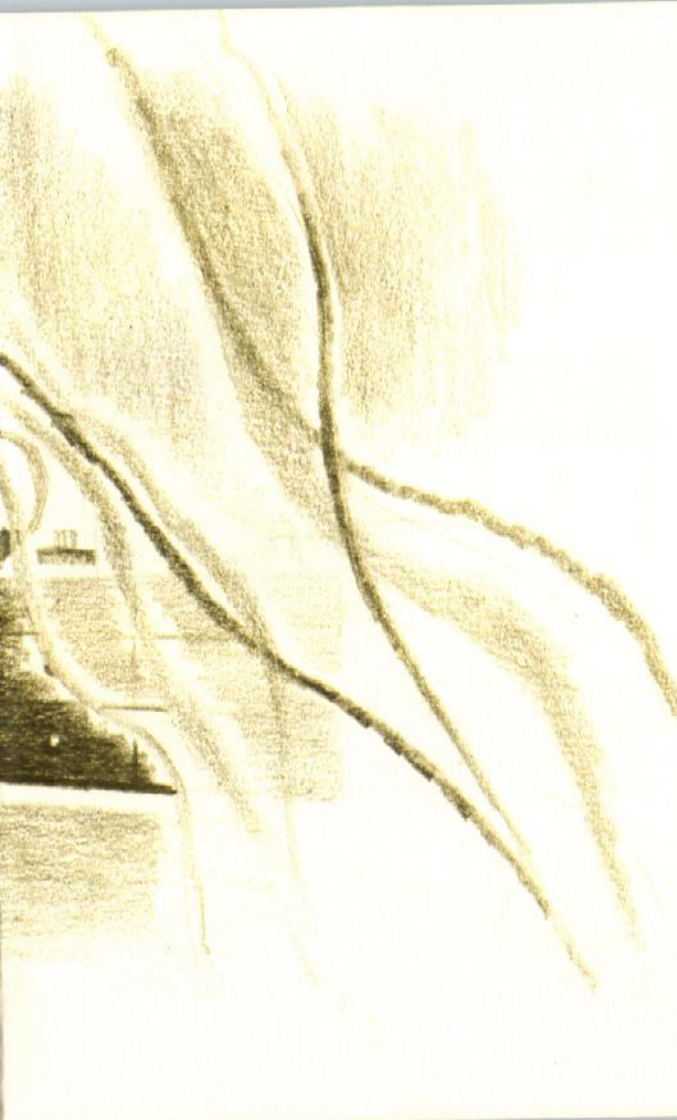

A CENTRAL PLANT AIR-CONDITIONING removes compressor noises from all apartments. There are no unsightly window boxes. Every room has individual air-conditioning and heat controls. Dial your temperature, summer or winter, precisely the way you want it. Different temperatures may be maintained simultaneously in all rooms.

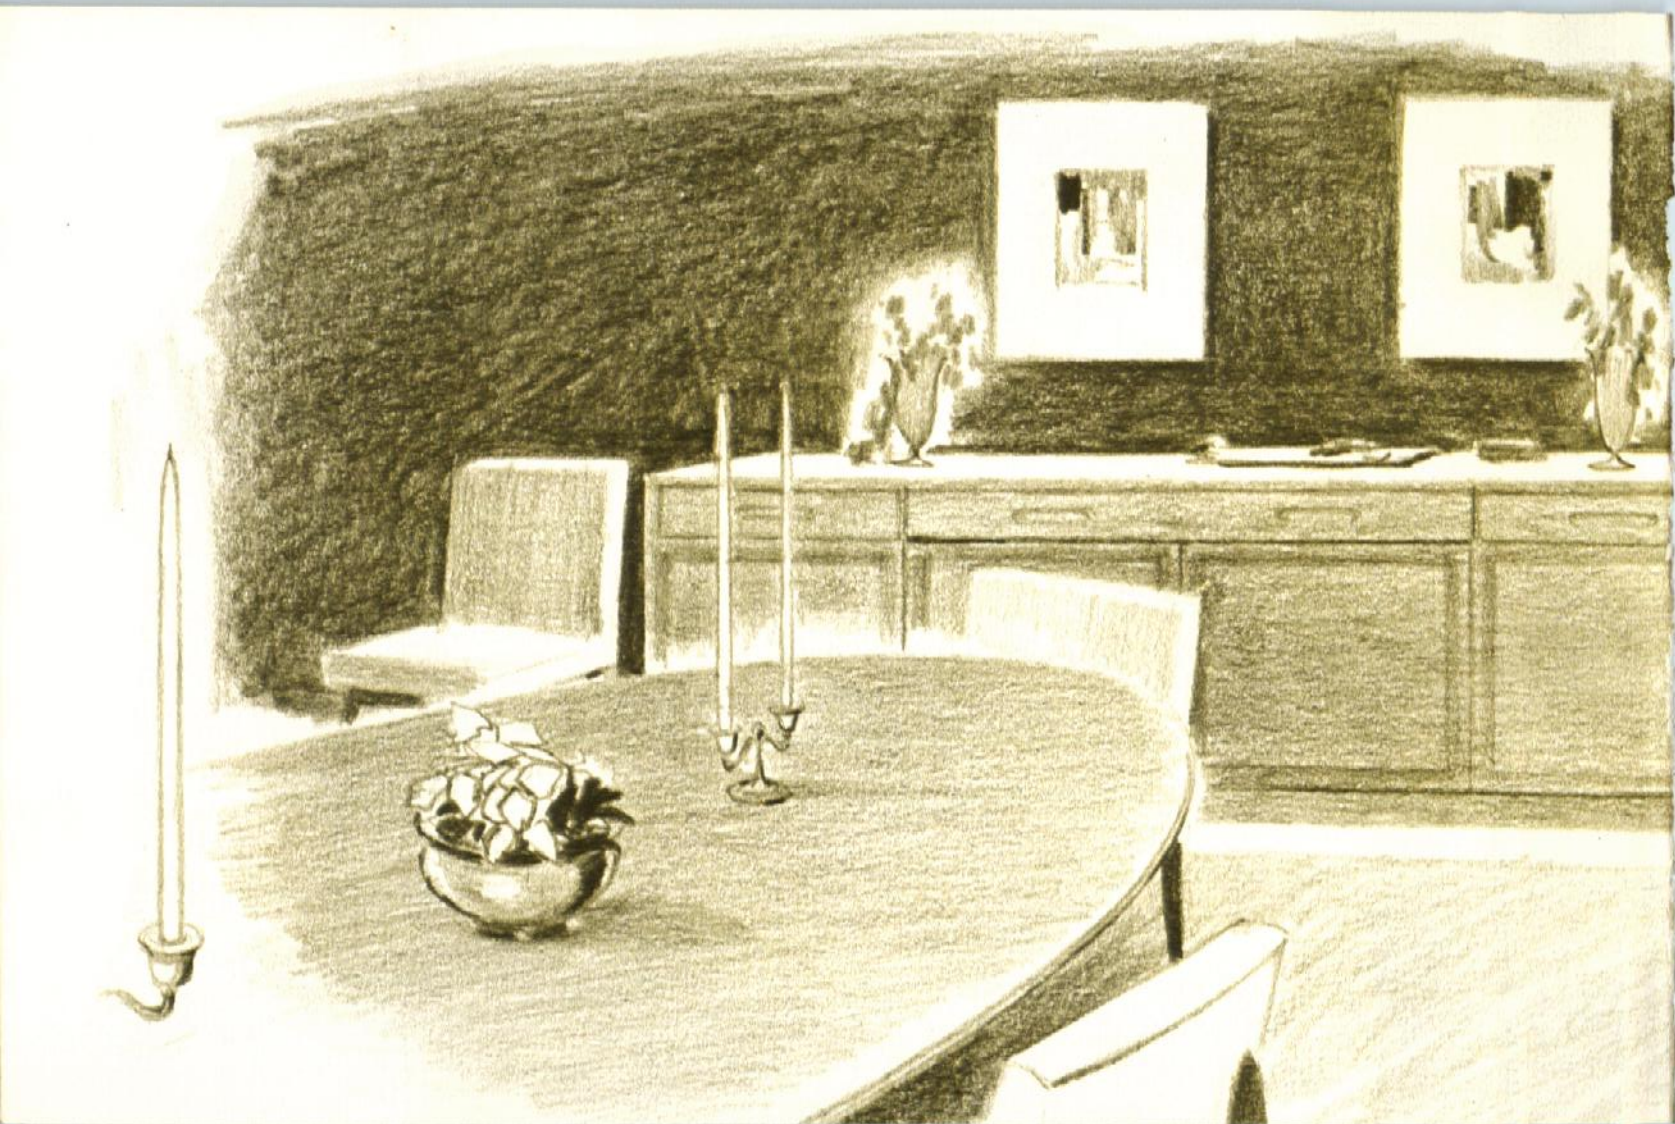

The MASTER BEDROOM, comfortable and large, is designed to accommodate an oversized bed or twin bed groups, double dressers, etc. Furnished in a mood and setting for the discriminating its location permits the privacy required for gracious living.

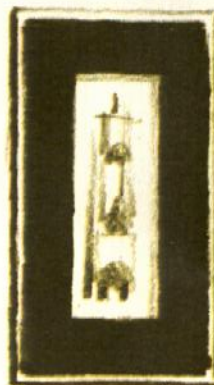

There are as many as ten closets in the Two and Three Bedroom Apartments and a generous number for the other types. Closet lights eliminate fumbling in the dark and provide an opportunity for fuller and more convenient use.

The Two and Three Bedroom Apartments have full DINING ROOMS, elegant in size, that provide opportunity to highlight the ritual of dining and entertaining as an adornment to our life experiences. The One Bedroom and Studio Apartments have Dining Ells significantly convenient.

In consonance with the Living Room, the Dining Rooms and Dining Ells keynote the fresh clean sweep of continuous windows picturing the park across the way and the scenery of the city beyond.

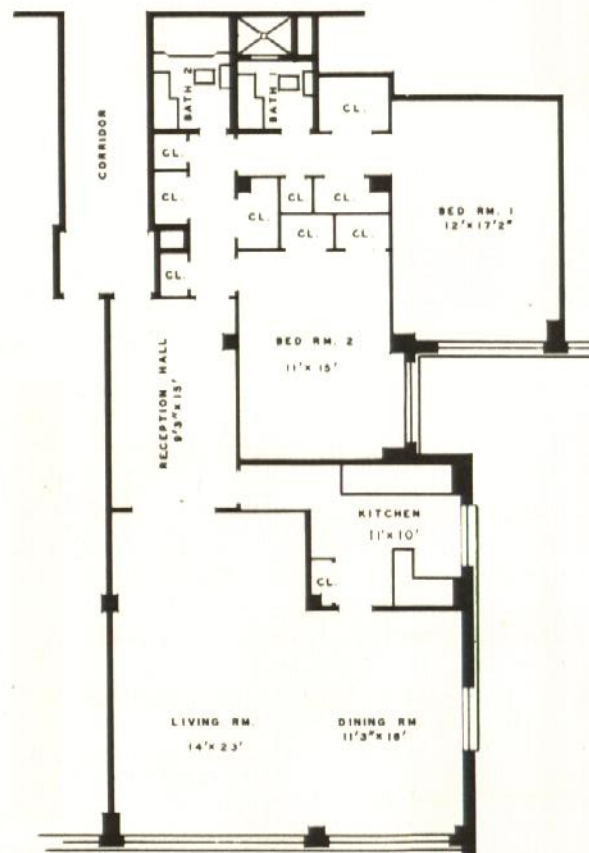

The DEN-BEDROOM of the Two and Three Bedroom Apartments is oriented with relation to the Reception Hall so that it may have a door either to the Bedroom Corridor or the Reception Hall or both in accordance with personal requirements. The capacity of this room to serve either purpose so well is a noteworthy accomplishment revealing evidence of careful planning.
