July 20, 1992

Dear Mr. Vismick,

I hope that your family and you had a wonderful, well-deserved vacation. I've enclosed several sheets of signed petitions. I'll forewarn you that four sheets are not completely filled because several people wanted to start their own mini-petition drive and handed them back to me that way. A few people that Dusanka Kestic asked to sign did not give their complete address and six people from Canada begged to sign this petition even though they were told that we stressed "Americans Against U.S. Military Intervention." I've enclosed all of these sheets and will let you decide what is best. I wish I could have obtained more signatures but many people are very wary of anything to do with Yugoslavia (by that, I mean Americans). After church services yesterday, approximately 10 people took two or three sheets of the petition home with them and promised that they could fill them and send them in

by this Wednesday. One lady volunteered to get 100 signatures at the place where she works. If they fulfill their hopes, you will probably be getting an additional 400 - 1000 signatures from all the people who have asked me to help in this effort.

I can also happily report that I've met Subs from Michigan and Southern California who say that this petition drive is in full swing in their areas. Thank God! It is truly refreshing & encouraging to see our people working together. Talk to you soon. Take care and say hello to your whole family!

Sincerely,
Olivera
Laskovich
