CHANGES 70

To accept the world is our determination and not our destiny. No longer do we bend with the wind of politics, but challenge tradition. In 1970, the country heard the cry of youth—it was a plea for explanations and for excuses. Although dissidents at the University of Baltimore were not as radical in their actions as their contemporaries across the nation, the same questions plagued our thoughts and demanded recognition.

At the University of Baltimore many changes occurred: the changing of the presidency; a long awaited beginning towards the parking solution; the renovation of the Kelly Building; the merging with Eastern College; and perhaps most important student involvement.

The Editors of the yearbook traveled to Dallas and Miami in search of an identity. The outcome: a new name; sentiment; and freedom of expression, sometimes conservative. We progressed degree by degree. Our goal was more than a presentation of the old and new, but a dream for the future, peace, understanding, an impetus for betterment. We, the educated will decide what the future will disclose, and we must know the controlling forces and what powers we must conquer to survive. Towards this future we aimed our ambitions. To this end we present, CHANGES, '70.

FACULTY AND ADMINISTRATION

Message of President Turner to The Graduating Class of 1970

In my first year as President of the University of Baltimore I welcome the opportunity to address a few words to the graduating class of 1970.

My association with the University over the past few years has been a challenging and rewarding one for me. I trust that your years of study here have resulted in a similar experience for you. As you turn from student responsibilities to the task of making places for yourselves in the world, I hope that you will take pride in the fact that you are graduates of this institution. The plans for the growth of the University which commenced while you were students here are beginning to come into fruition. The support which you rendered as students will be carried over, I trust, into your new status as alumni.

Here in the heart of the City of Baltimore you should see within the next few years the development of a major institution, more visible, perhaps, because of bricks and mortar, yet continuing the same spirit you knew here which for forty-five years has encouraged young men and women to make the most of themselves and their opportunities.

The challenges which face you now will be met only if you apply the same competitive spirit that you have shown as students, and the future successes which you achieve in life will be measured largely by the degree to which you are willing to compete.

My congratulations and best wishes to you.

STUDENT GOVERNMENT ASSOCIATION 1969-1970

John K. Smith—*President*

The 1969-70 session of the University's Student Government Association "came in like a lamb and went out like a lion." In mid-semester, Vice President John Smith replaced Doug Frazier as president of the SGA. With the additional resignations of Carl Boylin (Treasurer) and Rita McDonough (Secretary), the SGA was then left without an executive board. Stuart Goldberg, Stefanie Bain (Election Board), Richard Boruta (Merit Awards), and Beverly Bull (acting secretary) filled in the remainder of the year as the association's Executive Board.

The season was marked by many administrative and faculty decisions and resolutions ranging from parking demonstrations to the controversial 1970 Maryland Abortion Bill.

Thus, we had a controversial SGA year that, in reality, served to enrich the college life of the student body and provide valuable experience for the succeeding Student Government Association at the University of Baltimore.

When four students were killed by Ohio National Guardsmen at Kent State and a similar incident occurred at Mississippi's Jackson State, student dissent reached its breaking point toward this and the Cambodian issue. Here at Baltimore a student strike was called and students took to busy Charles Street to express their right to non-violent dissent.

Achievements on display

Alpha Omega Pi was officially chartered by the University in 1957.

The social highlights of the past year included an annual faculty and administration open house luncheon and many parties and mixers. To culminate a full year of social activities the Pi's had their annual Parents Weekend.

The year 1970 marked a turning point in the history of A.O.Pi, when the brotherhood became an official colony of Alpha Epsilon Pi, National Collegiate Fraternity.

Kappa Omega presents . . .

Kappa Omega, an educational-social fraternity, was formed on October 1, 1952. It received administration approval in March, 1954.

Besides their profit making affairs of dances and mixers they have also had two monthly parties, their annual founders day banquet, parents-day and several charitable benefits.

Much of their success was shown in sports, with Kappa Omega winning basketball, baseball and their tenth straight year of championship football.

BEES REPEAT AS M-D SOCCER CHAMPS

The Bees came into the fall '69 Soccer season with the potential of having one of the best teams in U of B history. Hopes were dampened, however, when several key players sustained injuries which were instrumental in the Bees' only two losses.

The Mason-Dixon Conference had only one division this year and the top four teams made the playoffs for the championship. The Bees' fourth place finish kept them in the running and with a healthy team Coach Ron Luette directed shutouts against Washington College, 4-0, and Loyola, 6-0. The last was the best since the Greyhounds had a regular season win over the Bees 2-1.

This second consecutive soccer crown marks the end of Coach Luette's tenure as coach. He announced his leaving at the end of the season.

Dave Fertitta tries to break away from a George Washington opponent.

The 1969-70 wrestling season was not a banner year for Bee grapplers, but they left us with hope for a brighter future. Besides co-captains Jim Gilpin and Roland Blosser, there were few experienced men on the squad. In fact, there were few men, period, and many points were lost as some weight classes had to be forfeited for lack of a wrestler.

Two wrestlers made the Mason-Dixon finals. Jim Gilpin finished on top in the 150 pound class and Sophomore Dave Fertitta placed fourth in his class.

BEE FIVE HAS BEST SEASON IN TWENTY-FIVE YEARS

Coach Paul Baker this year produced one of the strongest Bee quintets to hit the courts since the late 1930's. Led by top scorer Isaiah 'Bunny' Wilson, the Bees broke the Century Mark eight times on their way to a 92.1 seasonal scoring average.

The seasonal opener against George Washington College kept the fans on the edge of their seats. A slim B.U. lead was overcome in the last five minutes, but the taller G.W. team couldn't make it stick as Chuck Olkowski and Bunny Wilson controlled the ball for an 88-85 win. Three games later Shepherd State was stung by the Bees in general and Bunny Wilson in particular as he scored 51 points to set a school record in the 112-91 win. Another squeaker was the 86-85 victory over Canisius College in Buffalo when the defense and scoring of Steve Varanko and Wayne Hershey enabled them to outlast their opponents. Even in defeat there was a bright side. In the 102-80 loss at Navy, Bunny Wilson was able to set a Field House record by scoring 41 points.

With only three seniors graduating things look pretty dim for next year—for the rest of the conference.

The 1970 U of B baseball team captured the Northern Division title of the Mason-Dixon Conference. The Bees pulled it off by defeating Towson State in an exciting playoff game. They were stopped from going farther by Hampden-Sydney who topped them 8-2 and 7-5 in championship play.

The Bees finished a winning season with a 9 and 2 conference record and a 12 and 9 overall. Individual successes were marked by Ed Watts and Joe Pipitone making All-Conference and All-State teams. Joining them on the All-Conference team were Paul Linz and Dick Kady. Since most of the team will return next year, prospects look good for a repeat performance by the individuals and the team.

BEE STICKMEN CONCLUDE LAST SEASON IN MILLER DIVISION WITH 3-8 MARK

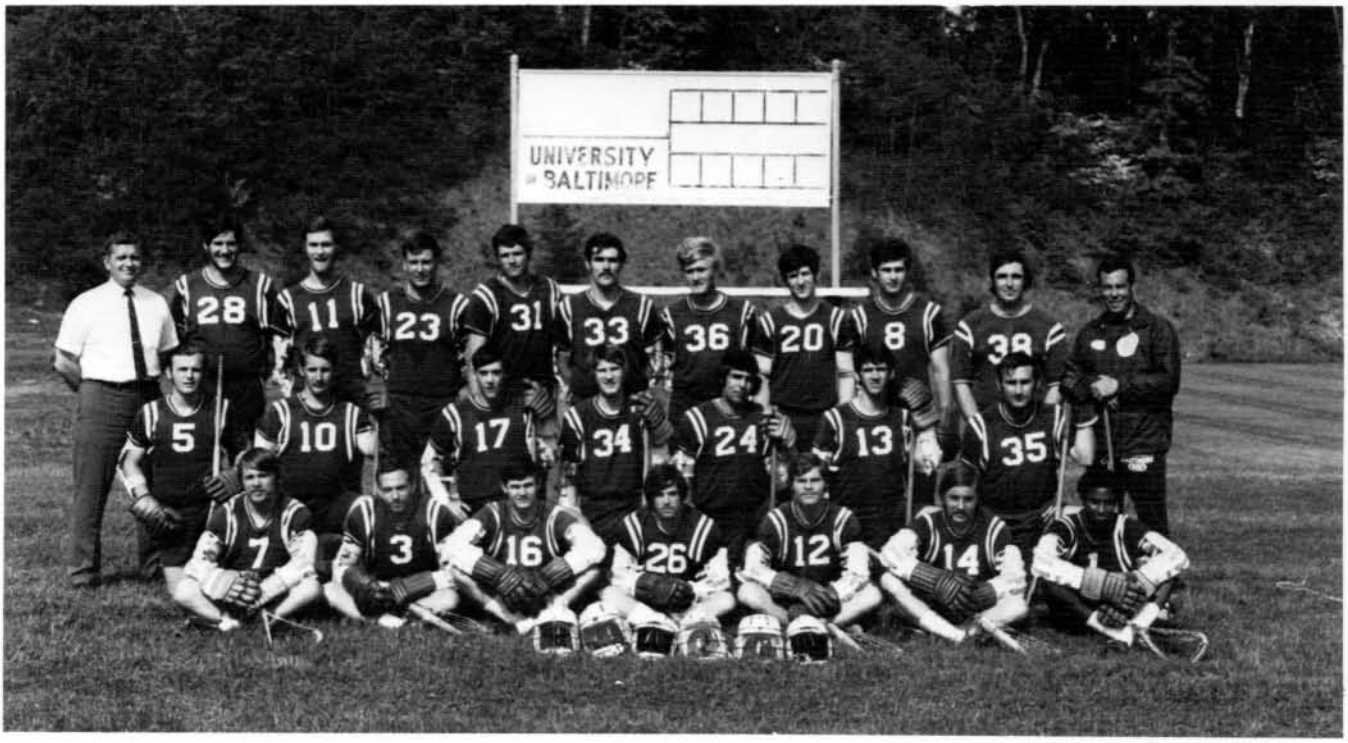

Sheldon Freed scores against the Maryland Lacrosse Club.

Although the Lacrosse season was not one of U of B's best, there were some happy moments. The Bees opened the season on a bright note by defeating Williams College 6-4. The high point of the season came with the 13-8 victory over U.M.B.C.'s new stick team. Two games later the Bees' third win came in a game with the tough Randolph-Macon squad, 8-3. The most humiliating point of the season had to be the 19-0 drubbing at the hands of the Naval Academy Midshipmen.

Hopes are high for next year with the reorganization of the lacrosse teams and the U of B will be in the South Atlantic Division with schools of comparable size.

The 1970 class of the University of Baltimore celebrated their long awaited graduation at the Eastwind on June 6, 1970. The banquet was quite a success having Mr. Stuart Goldberg as the toastmaster.

At the banquet the students and their dates both dined and danced until the early hours of the morning. The highlight of the evening was the presentation of the class gift by Bernard Smith, President of the Senior class to Judge Sklar, who is the President of the Alumni Association.

The end of the evening marked only the beginning of the students' aspirations and dreams of their final adieus . . . their commencement.

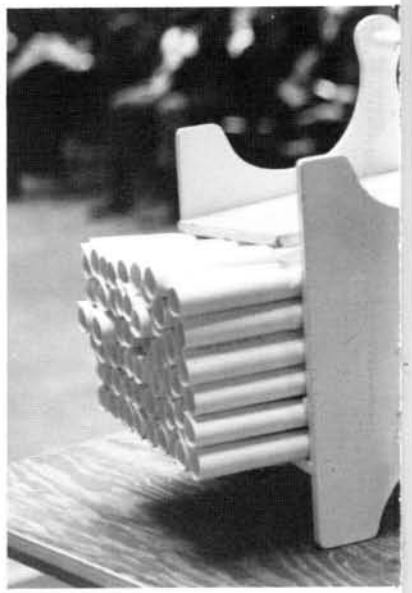

The University of Baltimore held its 43rd Commencement Exercises on June 11, 1970 at 8:00 P.M. at the Civic Center. Rabbi Morris Lieberman began the ceremony with an Invocation which was followed by a message to the graduates delivered by Dr. George H. Williams, President of the American University. President H. Mebane Turner conferred degrees on 899 graduates, the largest class in the University's history. Judge Albert Sklar welcomed the graduates into the Alumni Association and G. Maxwell Armor, Jr. President of the Board of Trustees, brought greetings from the entire Board. The exercises were concluded with a benediction, followed by the recessional.
